## Applying to multiple schools?

1. Create an admissions account at each school. Use the same email address and password for each account.
2. Register for testing at ONLY one school and select all schools who should receive scores.
3. Complete a separate online application in each school's admissions portal.
4. Teacher recs available Dec. 5. After requesting teacher recommendations in one school's admissions portal, link the form requests in the portals of all other schools you're applying to.
